Sessions typically last 55 minutes as this gives us a few minutes to transition to the next individual or family. Take note that most often family therapy, clinical observations, conversations, and consultations are not billable to insurance, therefore the client will be financially responsible. Crisis sessions/conversations may be billed at a higher rate. **If you have Medicaid, Medicare, Crime Victims Compensation, or DFS coverage, then these fees may not apply to you.** Academic coaching fees will be discussed as needed.

Insurance Claims:
It is **your responsibility** to check with insurance to ensure that TBT, LLC (doing business as Teton Behavior Therapy) is in-network with your specific plan in the office that you are planning on visiting (either Jackson or Victor). We are providers for Blue Cross Blue Shield of Wyoming, Blue Cross of Idaho, Idaho Medicaid, Wyoming Medicaid, Wyoming Medicare, United, Regence Blue Shield of Idaho, Allegiance, and Aetna Wyoming. If you utilize another insurance plan, you will be responsible for payment of each session at the time of the session and we can submit "superbills" electronically to your provider to go towards your out-of-network benefits. Please complete the attached insurance documentation so we can be prepared to discuss your plan.

Client Financial Responsibility:
Clients are responsible for the cost of service at the time of service. Clients can choose to keep a credit card on file (this is preferred) or pay via cash or check at their appointment. Co-payments, deductibles, co-insurance, and payment for non-covered services are due at the time of service. If you would like to receive a monthly receipt of services via email (preferred) or mail, please contact our Billing Manager at billing@tetonbehaviortherapy.com. We accept cash, checks, and all major credit cards.

The time of your appointment is reserved exclusively for you. We require a 24-hour notice of cancellation. Missed appointments without 24-hours notice will result in a $65 charge from the practice.

Paperwork:
Attached you will find the initial intake paperwork. You can print these out and bring them with you to your first session, or you can fill them out when you arrive.

I am aware that I may stop treatment with this therapist at any time. However, I recognize that I will still be responsible for paying for the services I have already received. I understand that I may lose other services or may have to deal with other problems if I stop treatment. (For example, if my treatment has been court ordered, I will have to answer to the court.)
